

Attention Half Lessor's:

Please Try and Follow these Rules.

In Response to Riding,

Please remember the horses you lease also get used in lessons throughout the day/week. Leasing is a privilege that can be taken away. When you go to ride your horse, you must warm-up for at least 15 minutes at the walk/trot before jumping or cantering. Any riders caught jumping or cantering as soon as they mount will lose the privilege to lease.

- 1. Do not ride for more than half hour on M-F.
 - a. Sundays you can ride for longer but the warm-up period must be 20 minutes long, your cool down period should be at least a half hour.****
- 2. You must take at least 15 minutes after you ride to cool down your horse, by walking them out and then brushing off their sweat marks.
 - a. If you do not have time to cool down or warm up your horse, then you do not have time to ride.****
- 3. To go on trail rides you must ask Rich 24 hour prior to your intended trail day**
- 4. Lessons begin at 4:00 p.m. throughout the week. Your horse might be used in a lesson. Please try and ride before then, otherwise there is no guarantee you will be able to ride that day.**
